SURRY COMMUNITY COLLEGE
DOBSON, NORTH CAROLINA

1986-87
LANCER

STATEMENT OF PURPOSE

The purpose of Surry Community College is to enable citizens of our area to increase their skills and knowledge. "To Each His Farthest Star" is an appropriate motto. Surry Community College will fulfill its purpose by:

—Providing, through open door admissions and within the satutory and fiscal limitations, programs and instructions which will give each student the opportunity to achieve his personal and progress toward his occupational and education objectives.

—Ensuring that when each student has sucoessfully completed a program that he will have the skill and knowledge to meet the demands of the job for which he has prepared or to transfer and

—Providing social, cultural, and recreational activities to assist students in developing their leadership and social skills, their appreciation of aesthetic values, and a more productive use of their leisure time.

—Developing effective ways of evaluating college programs, to make adjustments as needed, and to make appropriate reports to the public.

—Encouraging and stimulating the innate desire for leading.

—Making Surry Community College a stimulating and rewarding place to work and study.

SCC Greenhouse

Door to the Jolly Green Giant

What did you say?

You gotta get it hot before it fits.

Boy, school can be a drag sometimes.

Fashions at SCC!

You mean I'm the last one to leave?

Won't they be surprised to see me?

I'd rather watch you than listen to him.

DEDICATION: JAMES A. HUTCHENS

Since Mr. James A. Hutchens had dedicated the last twenty years of his life to teaching, the 1986-'87 Lancer is dedicated to him.

After he completed high school, Mr. Hutchens moved on to the University of North Carolina at Chapel Hill, where he received his Masters Degree.

Before Mr. Hutchens joined the staff at SCC on February 1, 1967, he was the Register of Deeds in Yadkin County. On May 31, 1986, he retired. But when school started this fall he was back as a part-time teacher.

He lives with his wife Thelma in Yadkin County.

FROM A ONE-ROOM SCHOOLHOUSE ...

SCC campus site; farm land; February 1966; Surry Central High in the background.

Grading site of original building; view from the back of campus toward South Main Street; Spring 1966.

Original campus constructions; Spring 1966; Learing Resources Building. John Krepick, President (left); Robert Burris, Board of Trustees (right).

Technical Building under construction; Spring/Fall 1966.

Gymnasium construction, 1970.

SCC Faculty Meeting: Fall 1967. See any familiar faces? John Krepick, President, standing. Seated, front row (l-r): George Stockton, Dean of Students; Ruth Thompson, Counselor. Second row: Paul Keicher, Vocational-Technical Director Peggy Taylor, Business; Mary Ann Calaway, English; Goldie Sparger, Business; Merritt Lear, Electronics; James Wallace, Business; Raymond Wenger, Chemistry. Third row: Broadus Atkins, Automotive; Eric Freed, Drafting; Conrad Holcomb, History; John VanHorn, English; Carmen Richardson, Music. Fourth row: Paul Hinshaw, P.E.; Guy McCann, Math; Sam Allred, Business; James Reeves, Psychology and Adult Ed.; James Templeton, Adult and Continuing Ed. Fifth row: Richard Seltzer, Biology.

...TO THE PRESENT DAY COLLEGE CAMPUS

One-room schoolhouse at Pigshin.

FIRST BOARD OF EDUCATION: Seated (l-r): Robert Burris, first Board of Trustees chairman; John Krepick, first SCC President; Robert Chilton, first SCC Dean.

SCC today; Spring/Summer/Fall 1986.

SCC Graduation, 1970.

AUTUMN LEAVES FESTIVAL

The second weekend in October is a traditional time for people of the N.C. foothills. It is a celebration of the changing leaves and the togetherness of people. This three-day event was started in 1967 by the Mt. Airy Chamber of Commerce, but the original idea came from Dr. J. Dale Simmons. The Festival is a great success with 250,000 to 300,000 crowding Mt. Ary to view the arts and crafts, listen to entertainment, watch other people, and sample the available food. The 1986 celebration, held Oct. 10-12 offered some of the finest memories of the year.

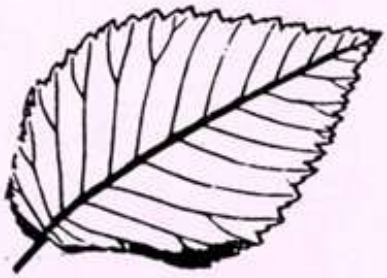

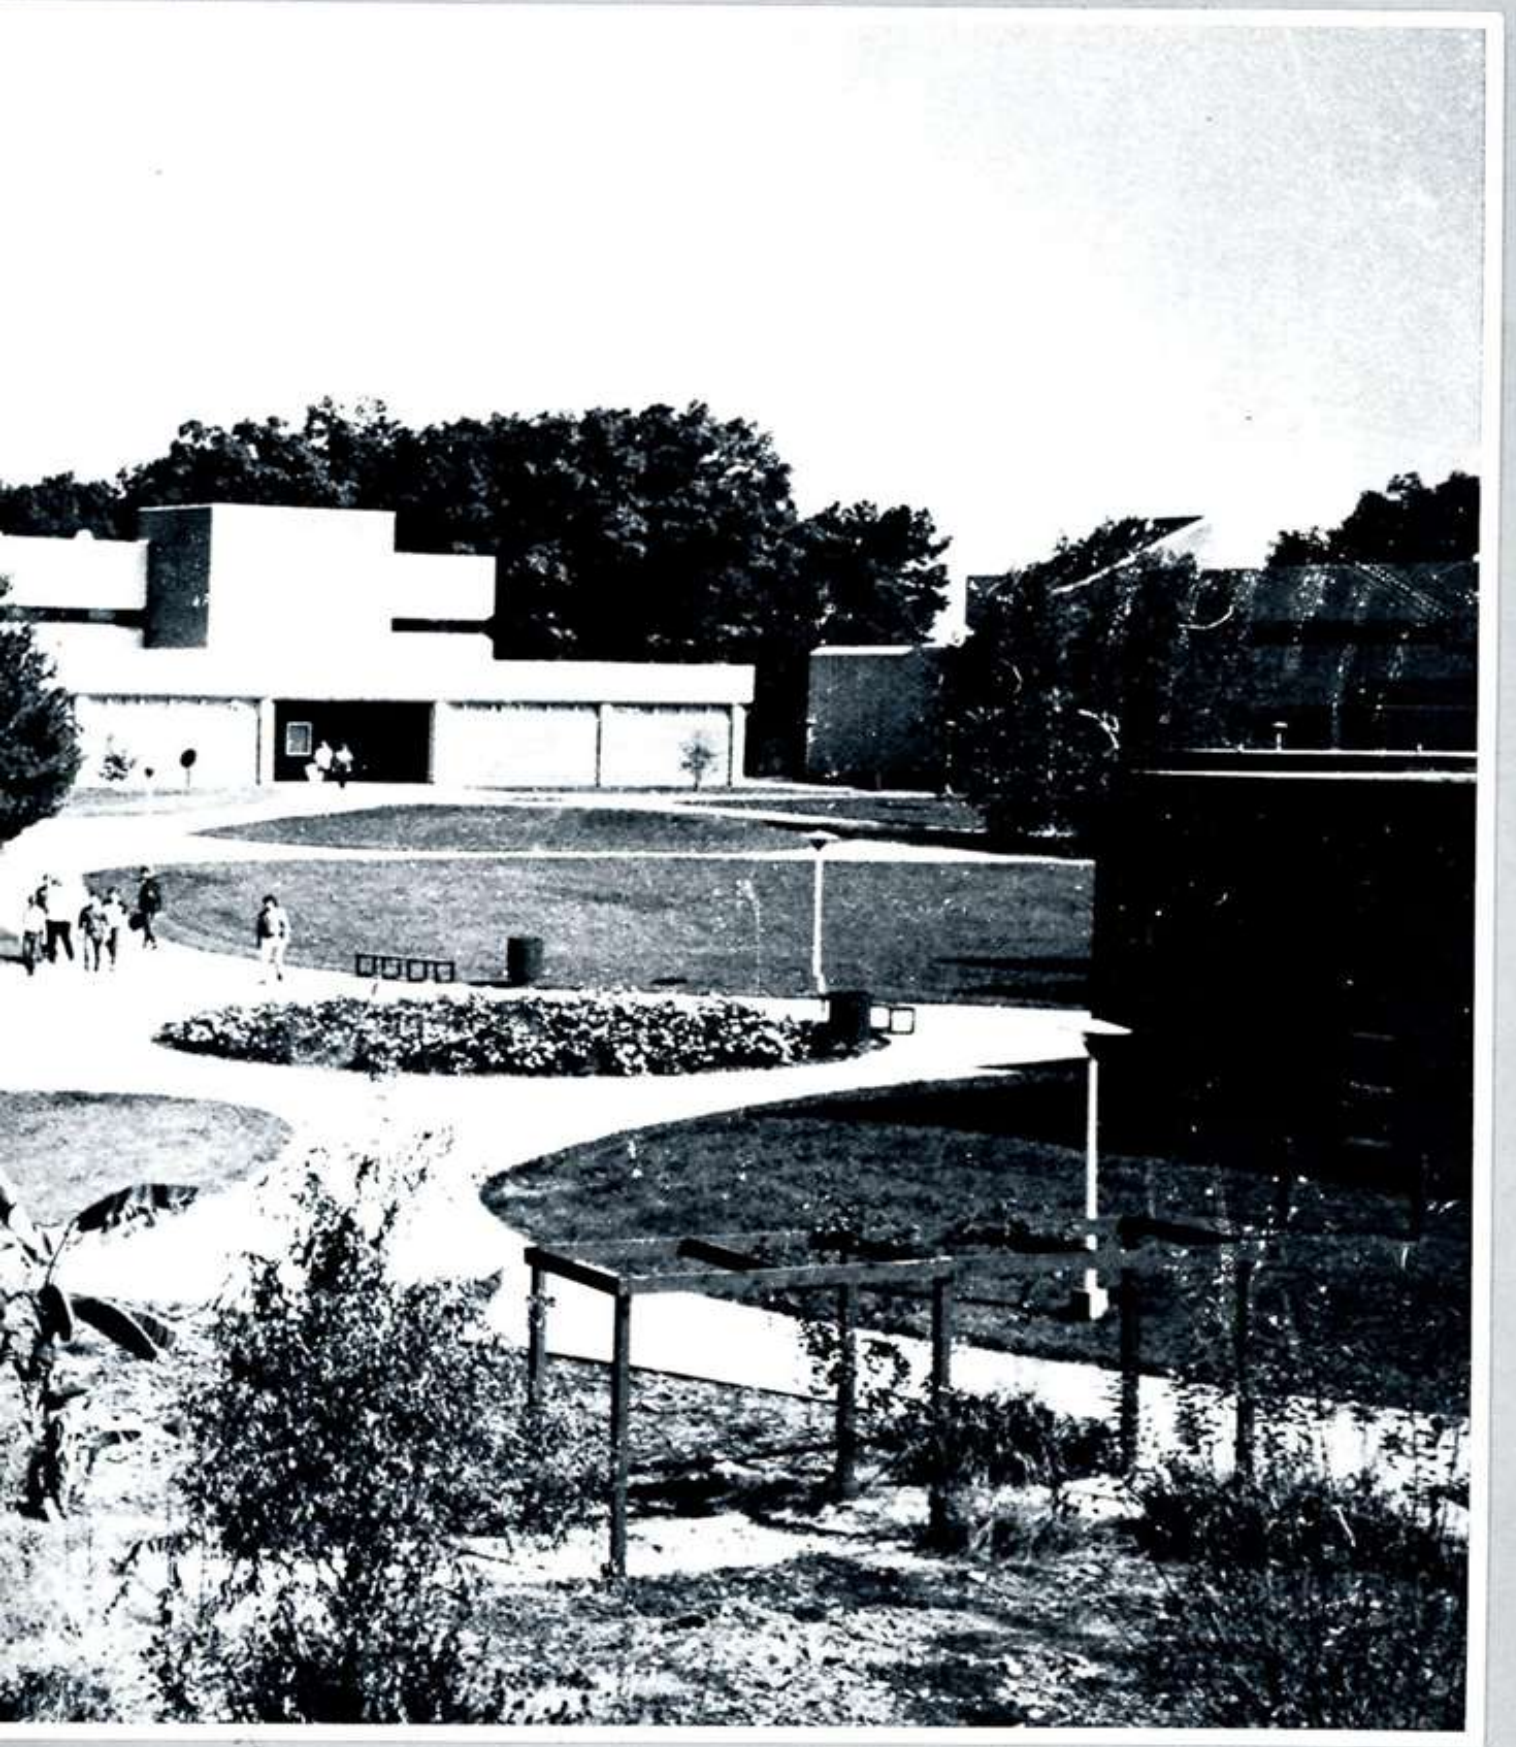

CAMPUS

LIFE

Brian Edwards has *many* interests.

Looking up to new goals . . .

How's this for openers?

The way to give a baby a bath is . . .

Well, you see, it was like this . . .

One more for the road?

Now, grow you little devil!

Mr. Sanders, we love those shorts!

I really feel guilty about skipping class to do something that I enjoy!

Nobody's perfect!

Jennifer finally has a patient.

Kim has one more romantic conversation with Wally.

I know what you're thinking, but English is not my favorite class!

I just couldn't stay away from this place.

Are you really going to eat that?

The Wild Life

STUDENTS

Welcome Students

I'm really interested in continuing my education.

Is everybody listening?

Is everyone having a good time?

ON CAMPUS

What fun we're having!

Mrs. Jarvis, I need help.

We have to do something about parking.

You can even try to sing at SCC.

SPECIAL

EVENTS

SPRING FLING

Sidewinder plays at the dance, so dance the night away.

Everybody has fun.

ANNUAL PICNIC

Everybody Eats!

Everybody at SCC does his part to help others.

STUDENT EVENTS

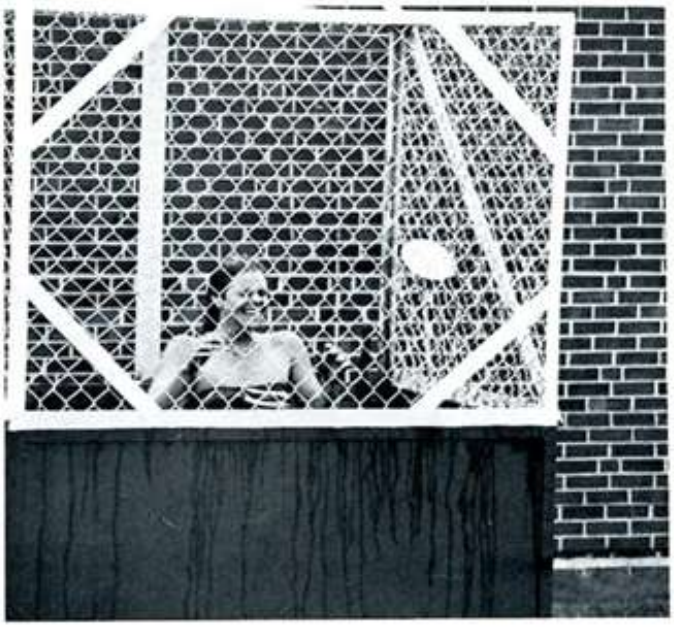

Jamie Huff and Wayne Leonard eat watermelon at the picnic.

EVERYBODY DANCE!

Ms. Ring gets dunked.

CONCERTS

ZEREX on campus

Sidewinder entertained at SPRING FLING.

TEACHER'S DAY

Teachers enjoy their day.

Everyone is entertained.

Norwood finally has a surprise smile!

Santa's Party

Dr. Richards seems excited.

CHRISTMAS AT SCC IS Fun! Fun! Fun!

Ms. Ring is a helpful ELF!

GRADUATION

First person to receive a diplom
for 1985-86.

Left: Eating here can be hazardous to your health.
Center: I'm only visiting this planet.
Right: This student is holding a seance hoping to get rid of the evil spirits occupying these offices.

We all need a little help sometimes.

I can't make up my mind.

The SCC Hustler

A new addition to college life.

SCC DANCERS

Dr. Shepherd instructs 1-2-3 count for new dancers.

David demonstrates his new "point" techniques.

Eight years of ballet went into that move.

SCC'S Solid Gold

SCC CLOWNS

Who are you kidding?

Who? Me?

Me skip class? NEVER!!

I think it is time for a break!

SPECIAL PEOPLE

Tracey Cockerham, 1985 graduate of North Surry High School, plans to pursue a music entertainment career and obtain an Elementary Education degree. She has sung on local WPQR radio programs, participated in a choral production at NSHS, and been a contestant in the Miss Mount Airy pageant in which she won the talent competition. Tracey is enrolled in the College Transfer curriculum at SCC.

Chris Fulk, Surry Central High School graduate, is currently enrolled in the electronics program at SCC. Chris is an active member of Circle K and the Student Government Association. One of Chris's most recent accomplishments is his selection as Lieutenant Governor of the Triad District of Circle K. Chris has also placed third in the Circle K talent show. In addition to club activities, he enjoys pool & chess.

Melva Tucker is known to many as Melva Houston. She is a second-year student and plans to attend ASU to obtain a degree in music education. Prior to enrolling here, Melva sang with such artists as Elvis Presley and Aretha Franklin. She is also known for her community involvement with the Miss Mount Airy Pageant and theater plays, and has currently left for Spain on tour.

AT SURRY COMMUNITY

Sandra Llewellyn currently serves as *Lancer* eidtor, and she is the editor of the Circle K International EXPO, a national Circle K newsletter. Sandra has been active for two years in LEO, Circle K, and SGA. Sandra has been an active member of the journalism class here she also contributes her ideas to the student newspaper. Currently, Sandra is Circle K Historian and keeps the organization's pictures updated.

Sue Westervelt is currently enrolled in the electronics program in which she maintains a 3.5 GPA. She has served as an algebra and technical math tutor for two years, and served as a physics lab assistant last year. Sue is active in her son's booster club and in church activities. In addition to her field, Sue enjoys English, speech, and good literature. In addition to scholastic subjects, she also enjoys dancing, designing and sewing clothes, horseback riding, and exercise.

Harriet Walker enrolled in Surry's College Transfer program to begin her pursuit of an Elementary Education major and English minor. Away from SCC, Harriet is a professional model—you might recognize her as a L'Eggs model—and has been a modeling instructor. Her attendance at John Casablanca's School of Modeling after graduation from Patrick County High in 1981 has secured her many modeling opportunities, including work in such areas as Florida, as well as in Belgium and Europe.

NATHAN WILLIAMS

1986

1987

VISITING ARTIST

Nathan Williams, a Western North Carolina native, grew up in Weaverville. He began studying the clarinet privately in the eighth grade. Williams attended Mars Hill College for two years, and completed his undergraduate education at the Academy of Music and Fine Arts in Vienna, Austria, earning the Artist's Diploma with highest honors in 1983. While in Vienna, he was awarded a grant from the Austrian Foundation for Science and Research for outstanding musicianship and intellectual merit. Nathan earned the Master of Music degree in performance and literature from the Eastman School of Music in New York in 1985. Williams had been a prize winner of various competitions, including the International Clarinet and the William C. Byrd Young Artists Competitions. He appeared in the fourth edition of *International Youth in Achievement* and in the 1986 volume of *Outstanding Young Men of America.*

Throughout the year, Williams presented several concerts, on and off campus: Altrusa Club, Hospice Benefit, area rest homes, area high schools, singles groups, churches, Andy Griffith Playhouse, Gertrude Smith Historic Estate, Elkin Public Library, and a series of Culture Breaks at the college.

William's music has proven to be enlightening and entertaining, while heightening student awareness of the arts.

VISITING ARTIST PROGRAM

PAULA LARKE

Paula Larke, an actress born in Winston-Salem, came to SCC in 1984-85 with excellent stories and music of American heritage. Larke received her training in professional theater on the touring and Broadway stage with the New York Shakespeare Festival. She has sung, danced, and acted in HAIR, TWO GENTLEMEN OF VERONA, and AGAMEMNON. Larke has also produced, directed, and performed her own musical acts and readings in concerts across the United States.

BILL MANSFIELD

THAT WAS THEN (1983-1986)

LOUISE ANDERSON, 1983-84 visiting artist at SCC, is best known for her story-telling with emphasis on African and Afro-American folk stories. She also knows about the history and preparation of ethnic foods and drinks, especially Southern and African dishes in her study of folklore. She is the author of many books of children's stories.

Bill Mansfield, 1985-86 artist, born in Raleigh, began playing the jaw harp at age 12. He later formed a band in high school, where he started playing the guitar. Mansfield has a master's degree in folk music from UNC and was also awarded a grant from the National Endowment for the Arts, which permitted him to study under folk m usician Fred Cockerham. Mansfield's goal has been to bring back "the ole-time sound" born here in the foothills.

ADMINISTRATION,

FACULTY, STAFF

SCC PRESIDENT SWANSON RICHARDS

A graduate of Appalachian State University and Florida State University, Dr. Swanson Richards has been president of Surry Community College for twelve years. He served in numerous positions in the Surry County School System before coming to the college.

Dr. Richards sets a good example for the students through his leadership roles in several organizations within the county and state. His outstanding personality and service to the college distinguish him as an excellent president.

President's address to faculty on Orientation Day.

Informal luncheon after meeting.

Do we really have to listen to THIS?

The present contains nothing more than the past, and what is found in the effect was already in the cause.
—Henri Bergson (1907)

Fill 'er up . . . one more time.

If the past cannot teach the present and the father cannot teach the son, then history need not have bothered to go on, and the world has wasted a great deal of time.
—Russell Hoban (1973)

SURRY COMMUNITY

CURRICULUM

AGRICULTURE

The agriculture curriculum is designed to provide knowledge of functions of a manager and to supply an introduction to the principles he uses in making decisions and in adjusting to changing conditions in the agricultural environment. Curricular classes include Dairy Science, Plant Science, Nursery, Greenhouse Management, Livestock Diseases and Parasites, and Tobacco Technology. The agricultural instructor is Charles Boles.

ART

Art History, Commercial Art, Drawing, Arts and Crafts, Ceramics, Painting with Colors, and Portrait Painting enable students to express themselves on paper. The purpose of the art curriculum is designed to enhance a student's awareness of history, technique, and professional ideas. Art instructors are Archie Bennet, Abbe Rose Cox, and William R. Sanders.

AUTO REPAIR

The automotive body repair classes provided are to develop training of skills in the field of equipment and materials in the mechanics trade. The students study the construction of the auto body and the technique of repair, rebuilding and refinishing cars. Broadus Atkins, William Reynolds, and Angus Tucker are auto curriculum instructors.

BIOLOGY

An introduction to the fundamental concept of biology, a study of organisms, a study of population, a study of microbiology, and a study of the body organization and how it functions are taught in the biology curriculum. Classes include General Biology, Microbiology, Anatomy and Physiology. The instructors for the curriculum are Tamara Carter, William Stroupe, Dr. Edwin Wiles, Kenneth Kallam, and Charles Madison.

BUSINESS

A survey of the business world (with attention devoted to the structures of various types of business organizations, methods of financing, internal organizations, and managements) is taught in the business curriculum. Emphasis is also placed on developing speed and accuracy. Curricular classes include Keyboarding, Business Math, Business Law, Accounting, Retail Applications, Legal Terminology, and Office Technology.

CABINETMAKING AND CARPENTRY

The cabinetmaking and carpentry curriculum acquaint students with vocational skills. Students study all aspects of residential structures, including materials, tools, framing, finishing, and roofing construction. The program also offers on-the-job training. Larry Scott is the instructor.

CHEMISTRY

The chemistry curriculum provides knowledge of basic terminology, physical states, fundamental concepts for atoms and molecules, nomenclature and stoichiometry. Students practice skills in classes such as General Chemistry, Qualitative Analysis, and Organic Chemistry. The chemistry instructor is Edwin Wiles.

COMPUTER SCIENCE

Computer science and electronic data processing provide opportunities for students to familiarize themselves with an Introduction to Computer Science, Computer Science Programming, PASCAL, FORTRAN, COBOL I & II, Computer Science Systems Analysis, Computerized Accounting, and Data Processing Applications. The computer science instructors are George Atkins, Michael Boing, Jodi Crawford, Jerry Eller, Dianne Johnson, Joe Reid, Carol Norman, Sheila Norman, Ronnie Snow, and Charles Strickland.

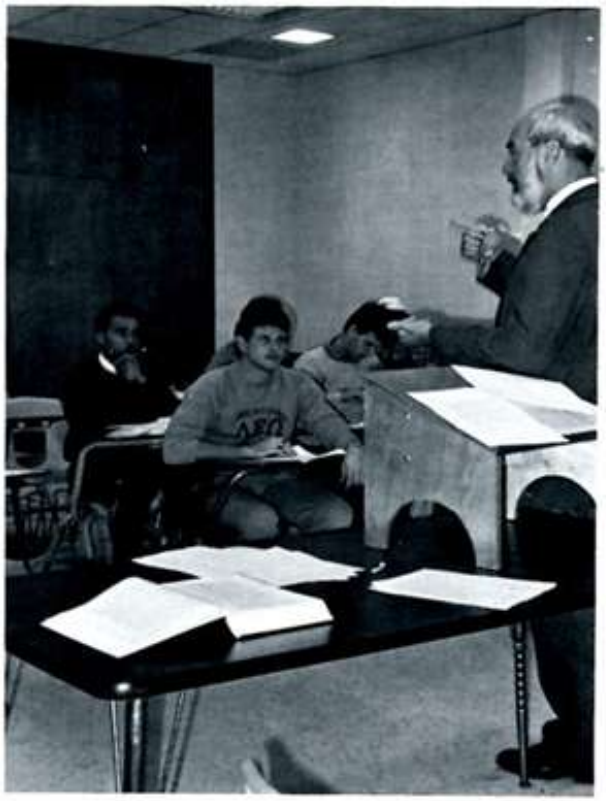

COSMETOLOGY

Held at the Northwestern Beauty School in Mt. Airy, cosmetology classes are designed to instruct students on hygiene, good grooming, visual poise, personality development, draping, shampooing, manicuring, scalp, and hair.

CRIMINAL JUSTICE

One may acquire basic knowledge of interpersonal communications, law, psychology, and sociology in the criminal justice curriculum. It is designed to consist of options in corrections and law enforcement services. Students may also decide to specialize in areas of confinement facility, administration, correctional law, counseling, probation-parole services, and rehabilitation. J.T. Henson is the instructor.

DRAFTING

The field of drafting is introduced as the student begins study of drawing principles and practices used in describing objects in graphic language. The curriculum offers classes in Technical Electronics Drafting, Architectural Drafting, Dimensioning and Tolerancing.

ECONOMICS

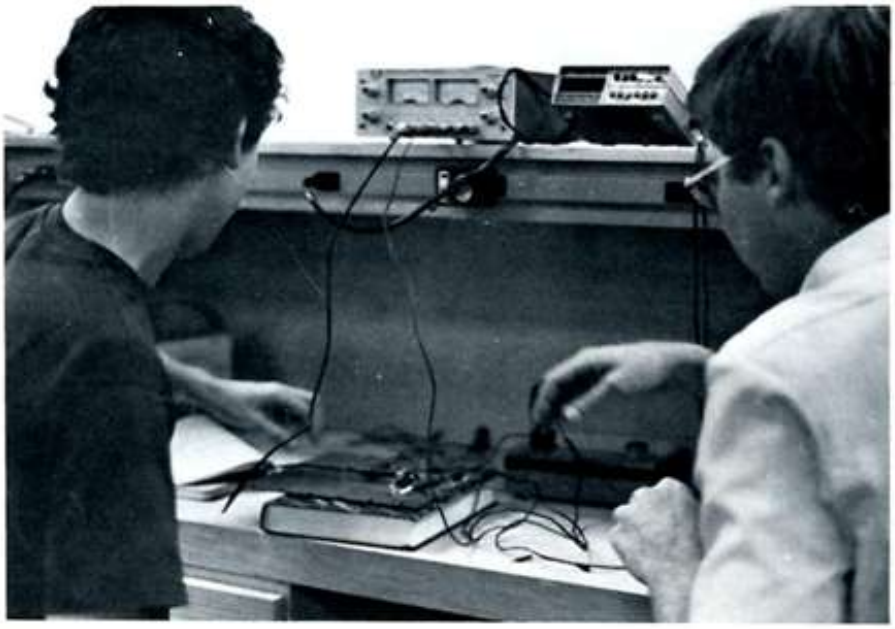

Capitalism, Socialism, and Communism emphasizing American Capitalism are the core of the economic curriculum. Students learn the importance of costs, prices, resources management, money and banking.

ELECTRONICS

A study of alternating voltage and current magnetism, electromagnetic introduction, Lenz Law, Faraday's Law, AC component, and circuit analysis are a big part of the electronic curriculum. Courses are designed to develop competent technicians to work as engineering assistants or as liasons between engineers and craftpersons.

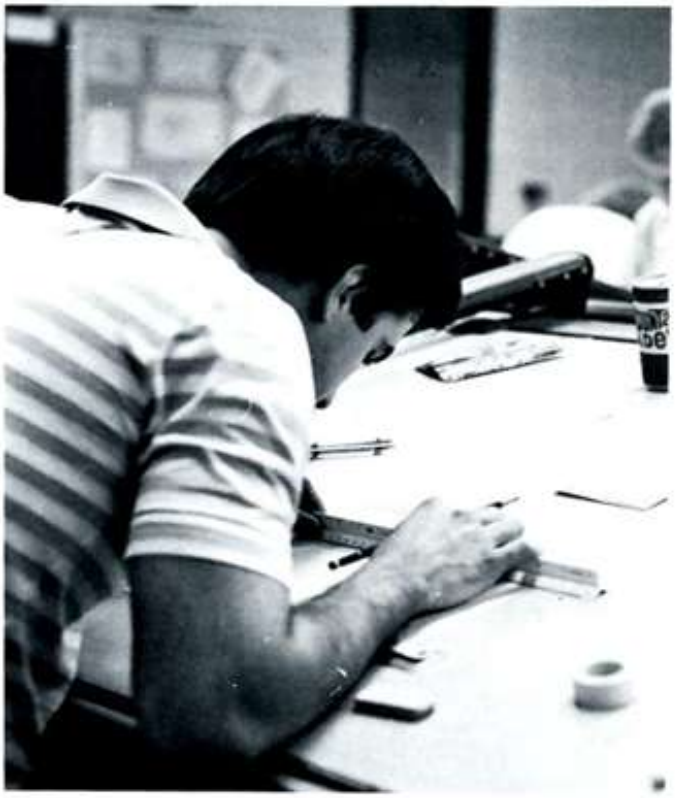

HINTS ON PRONUNCIATION FOR FOREIGNERS
T.S.W.

I take it you already know
Of tough and bough and cough and dough?
Others may stumble but not you,
on hiccough, thorough, laugh and through.
Well done! And now you wish, perhaps,
to learn of less familiar traps?

Beware of heard, a dreadful word
that looks like beard and sounds like bird.
And dead: it's said like bed, not bead
For goodness' sake don't call it deed!
Watch out for meat and great and threat
"They rhyme with suite and straigtht and debt.)
A moth is not a moth in mother
Nor both in bother, broth in brother,
And here is not a match for there,
Nor dear and fear nor bear and pear.
And then there's dose and rose and lose—
Just look it up—and goose and choose,
and cork and work and card and ward,
And font and front and word and sword.
And do and go and thwart and cart—
A dreadful language? Man alive!
I'd mastered it when I was five.

ENGINEERING

Basic descriptive geometry, systematic solutions, and analysis of the relationships of points, lines, and plains in space, developments and intersections are theories reviewed in the engineering curriculum. One such course is Graphics for Engineers which specifies the instruction in the use of drafting instruments, freehand drawing, and lettering.

ENGLISH

Enrichment of grammar, punctuation, and sentence and paragraph building are the skills provided by the English curriculum. Classes in the curriculum include levels of grammar in English 101, 102, and 103, Journalism, Report Writing, Survey of American and Western World Literature, Children's Literature, and Communication Skills. English instructors include Diana Calaway, Minnie Hyler, Pam Ring, Chris Yopp, John Van-Horn, Dr. Norwood Selby, Margaret Shepherd, and Dr. Thurman Hollar.

FRENCH

A modern approach to language, people, and the country of France are introduced in the French curriculum. Students use vocabulary studies to become familiar with the language. The French instructor is Sharon Gates.

HISTORY

The sequence course in Western Civilizations, beginning with History 101, is a study of the western society from 8000 B.C. to the present. Topics include the classical Greek and Roman worlds, the Reformation, the emergency of the modern national state, the rise of commercial capitalism, the Industrial Revolution, the French Revolution, liberalism, nationalism, the alliance system, imperialism, World War I and its aftermath, and the ideologies of the twentieth century.

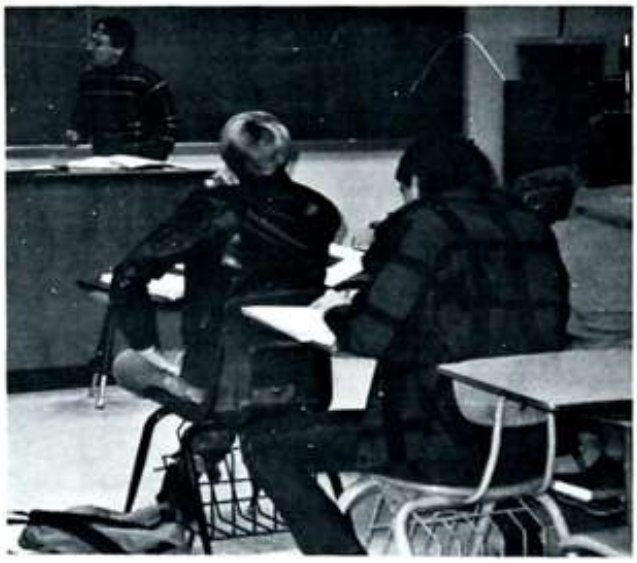

MATH

The mathematics curriculum offers a variety of courses which aid students in developing mathematical and analytical skills. These are Remedial and College Mathematics, Algebra, Trigonometry, Geometry, Calculus, Technical Math, Criminal Justice Math, Digital Computer Math, Electrical Math, and Building Trades Math.

MECHANICS/ MACHINE SHOP

The SCC Automotive curriculum offers various courses involving auto-mechanical subjects. Some of these include Automotive Electronic/Electrical Systems; Front Suspension, Alignment and Power Steering; Diesel Engines; Automotive Body Repair; Braking Systems; Small Engine Repair; Metal Finishing and Painting; and Auto Accessories. Instructors for these courses are Donny Haynes, Steve Shephard, Angus Tucker, and William Reynolds.

MUSIC

This course curriculum, taught by Benny Younger, includes an Introduction to Music, the History of Music, Chorus, Piano, and Guitar. An important emphasis is placed on scales, key signature, chords, and writing music.

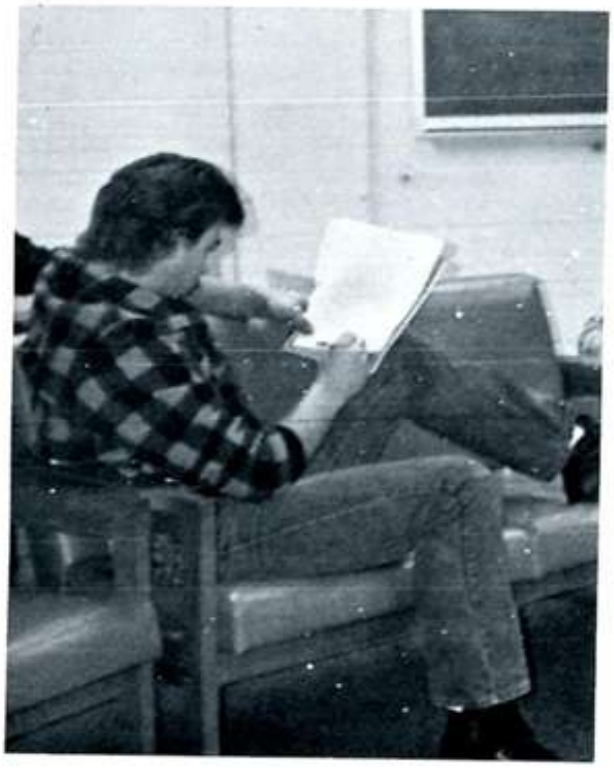

NURSING

The concept of proper health care is provided in the nursing curriculum. Students learn to administer medications, communicate with doctors and patients, and to work in the surroundings of mental health, childcare, elderly (Such as rest homes), and maternity care. Students also particpate in clinical rotations to obtain hands-on-knowledge and experience. Instructors include Beverly Essick, Francis Bryant, Marguerite Burcham, Sharon Kallam, and Kathy Woodruff.

PHILOSOPHY

This course involves a study of problems dealing with freedom of will, perception of evil, right and wrong, and what these topics mean to man in his everyday life.

PHYSICAL FITNESS

Physical fitness is taught through the teaching of fundamentals, techniques, and rules of play which are taught in the physical education curriculum. Classes vary in length and capacity and include basketball, volleyball, tennis, table tennis, and aerobics.

PHYSICS

This curriculum is application-oriented for technicians. It involves the properties of matter and heat, electricity, light and sound, and applied science.

PLUMBING

The Plumbing Fundamentals course is a study of plumbing tools, piping materials and fittings, plumbing system designs, pipe and fitting installation, fixtures, and water supply systems. This field helps students to become tradesmen, foremen, or general supervisors.

POLITICAL SCIENCE

This course concerns the national government, its organization, function, power, and civil rights. It is also a course in helping students acquire skills which will allow them to effectively assume positions of leadership with occupational, social, cultural, and political organizations.

PSYCHOLOGY

This is a course in studying and learning the purpose of practical skills that can be used in a classroom. An introduction of psychology (including prenatal and postnatal care, personality, self-actualization, and studying ego and personalities) is all-important to this class.

READING

The reading course at SCC is designed to aid students in improving their basic skills in vocabulary comprehension and reading rate. The program meets three important criteria: the materials and programs are easy to use, it is fun for the teacher and the students, and it has been proven very effective.

RELIGION

This is a course which includes both the Old and New Testament teachings. It is designed to introduce students to the history, setting, purpose, and major ideas of this literature. A comparative study of the major religions of the world, both ancient and modern, are also included in the religion curriculum.

SAFETY AND FIRST AID

This course consists of principles and practices that can be applied to emergency first aid; studies of safety procedures and techniques are related to vocational training.

SPANISH

This course is an introduction to the Spanish language with a modern audio-lingual approach. Emphasis on listening and speaking comes first, followed by reading and writing.

SOCIOLOGY

This course is a study of society and culture and how we become human beings. The importance of problems in class, racial, ethnic groups, and women are emphasized. The problems of social change, population problems, urbanization, and collective behavior are discussed also.

SPEECH

This course involves the study and application of the fundamentals of public speaking. Consideration of speech involved with oral presentation in improving voice and confidence.

WELDING

This course gives students an understanding of the principles, methods, techniques, and skills for successful employment in welding and metal industry.

Surry Community College is committed to the continuing education of the adult citizens of its area of service. To fulfill this commitment, the college offers a variety of courses, conferences, workshops, and exhibits designed to meet the adult educational needs.

Through the Continuing Education Division, students find opportunities to re-train and update themselves in employment, to expand knowledge in general education, and to develop creativity in the fine arts.

Other courses are provided in extension centers in the various communities of Yadkin and Surry Counties. New classes may be formed whenever a sufficient number of persons show interest in a particular area of study.

In extenuating circumstances, and upon approval by public school officials, persons under the age of eighteen may be admitted. North Carolina adults age 65 and older may register for classes in the Continuing Education Division free of charge.

CHORUS

Benny Younger, Sponsor

Benny and some of his students

The SCC Chorus is composed of individuals of varying ages who enjoy singing and performing throughout the year at various churches, civic clubs, and organizations in the area. Day and night choral groups combine for Christmas and spring concerts; and members receive transferrable credit while developing their voices and musical talents. The Chorus serves as a primary source of public relations and recruitment for the college and community.

Performances at the Grace Moravian Church

Circle K'ers really become involved with helping others.

Officers (L-R): Sandra Llewellyn, Editor of International EXPO; Gerrie Moorefield, SCC Club President; Chris Fulk, Triad District Lieutenant Governor; Kim Thomas, Club Secretary; Van Tate, Club Secretary. Not pictured: Timmy Martin, Treasurer.

CIRCLE K

Circle K is a service organization that helps the needy through involvement. The club has been on campus since 1967. Its objective is to serve the campus and the community, to promote good fellowship and high leadership, to cooperate with the educational department chairman of which the club has an interest, and to have useful training in social graces and personality development.

Meeting to discuss this year's Circle K convention at Chapel Hill.

The Circle K Club encourages and promotes the following ideas: to give primarily to human and spiritual life, rather than to material values; and to encourage the use of the Golden Rule in life.

Circle K is a college organization that is sponsored by Kiwanisis International. Membership in Circle K is worldwide.

During the weekly meeting, the club guest was Governor of Carolina's district, Blaire Tidwell.

JOURNALISM: YEARBOOK (LANCER)

Editor Sandra Llewellyn: "Work! Work! Work! It will be finished soon."

Ms. Pam Ring, Advisor

Designing, preparing, and producing a yearbook is difficult. Few students are involved, but these few represent, depict, and illustrate college life well. Their efforts are appreciated. Thanks goes to all SCC personnel for their support and tolerance; a special thanks to Sharon Gates, Susan Pendergraft, Margaret Shepherd, Chris Yopp, and Nathan Williams who have so graciously helped with typing, proofreading, and editing of the 1987 *Lancer*.

"Boy! Have these people changed in 20 years!"

The whole class become involved.

& NEWSPAPER (SQUIRE'S VOICE) STAFF

"Will this paper ever be finished?" asks Melissa.

This newspaper will be out on time.

There is always time for a photograph.

Linda is busy working on the computer.

Everyone is busy doing her job.

Advisor & instructor, Bill McCachren

Who is he kidding? *X* is equal to *B*, not *M!*

MATH CLUB

Mu Alpha Theta: **The purpose of the Math Club is to gain a better understanding of mathematics and to acquaint other people with the necessity and benefits of studying mathematics.**

Officers (L-R): Judy Marshall, Greg Howard, Preston Smith, Darrell Casstevens.

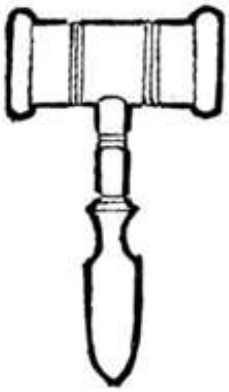

Students perform at the Foreign Language Festival.

Advisor & instructor J.T. Henson

LEO Officers at Dec. 13 Christmas Party: V. Tate, D. Johnson, J. Huff, V. Hunt.

LAW ENFORCEMENT ORGANIZATION MEMBERS

LAW ENFORCEMENT

All of the members of LEO (Lambda Epsilon Omega) are members of the N.C. Association of Criminal Justice Educators. The primary objectives of the professionalism of personnel in Criminal Justice agencies is to attract high quality pre-service students into the field of Criminal Justice, and to stimulate academic achievement among Criminal Justice Agencies.

FRENCH AND SPANISH

"Bonjour, mes amis! Le françis est pour tous!" The French Club is designed for all those who are already taking French, or are interested in taking French, and want to participate in a foreign adventure!

"Hola! El español is a versatile, exciting foreign language. The Spanish Club is designed for all of those who are taking Spanish as a second language. These two clubs interact throughout the year in various activities and events, such as the Foreign Language Festival and the annual Christmas party.

Mrs. Gates helps students with their Spanish assignments.

PHI BETA LAMBDA

Advisors John Wood and Sherman Layell

PBL Club members

The purpose of Phi Beta Lambda is to educate students in the expectations of the business world. This is accomplished through leadership conferences, which are sponsored by the National PBL. The specific goals of PBL are to develop competent, aggressive business leadership, and to strengthen the confidence of students in themselves and their work.

PBL officers: Back row: Gray Frye, vice-president; Adelia Smithermon, vice-president; Ellen Billings, secretary; Teresa Edwards, president; Front row: Regina Williams, treasurer; Liz Freeman, parliamentarian.

PBL students help with the SCC Bloodmobile.

STUDENT GOVERNMENT ASSOCIATION

Advisor Dr. Sherry Madison

SGA members enjoy the Christmas Dance.

Officers: Nancy Slate, Jerry Tuttle, Melanie Marion, Karen Speaks.

The Student Government Association (SGA) is an organization which helps in the establishment of rules and regulations on campus. Training for members will help them in any field they chose. They learn a variety of responsibilities from leadership to getting along with others. SGA generally sponsors the annual Christmas Dance and Student Appreciation Day; the latter is held in late May.

Mr. Layell dances the night away.

Dr. Shepherd displays his dance ability.

WHO'S WHO

Each year several students are selected by a committee of faculty and staff to be honored by inclusion in *Who's Who Among Students in American Junior Colleges.* Criteria for selection to this national publication includes academic achievement, community leadership, and extracurricular involvement.

Left to Right: First row: Kim Lynette Gough, Elizabeth Chappell Freeman. Second row: Ted Columbus Williams, W. Kay Cockerham, Michelle Lynn Davis, David Ray Pruitt.

BUS 250: Television Communications

Surry Community College's youngest student.

"I knew these shoes were tight, but this is ridiculous."

In what kind of trouble have you found yourself this time, Mr. Yopp?

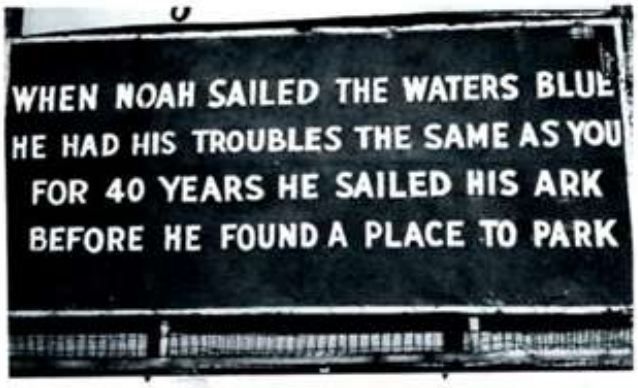

"P.E. is my favorite class. These guys have such cute legs!"

"Well, of course we can fix it."

The Arnold Schwarzenegger's of tomorrow.

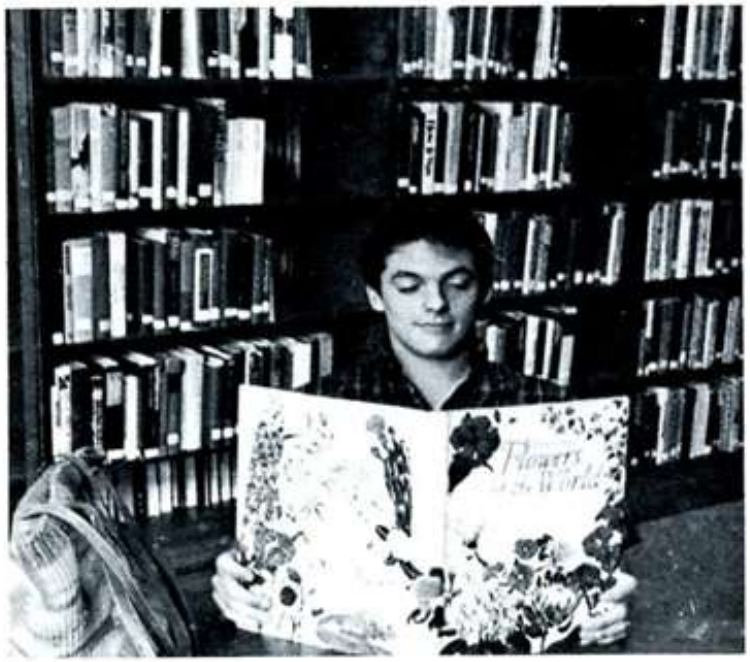

Parking problems?

"Who is responsible for this mess?"

STUDENTS: HARD AT WORK . . .

Exploring the world of flowers?

Jennifer finally finds a patient.

Shh! Research in progress.

The news always comes before English.

Well, it wasn't that funny.

The end is near.

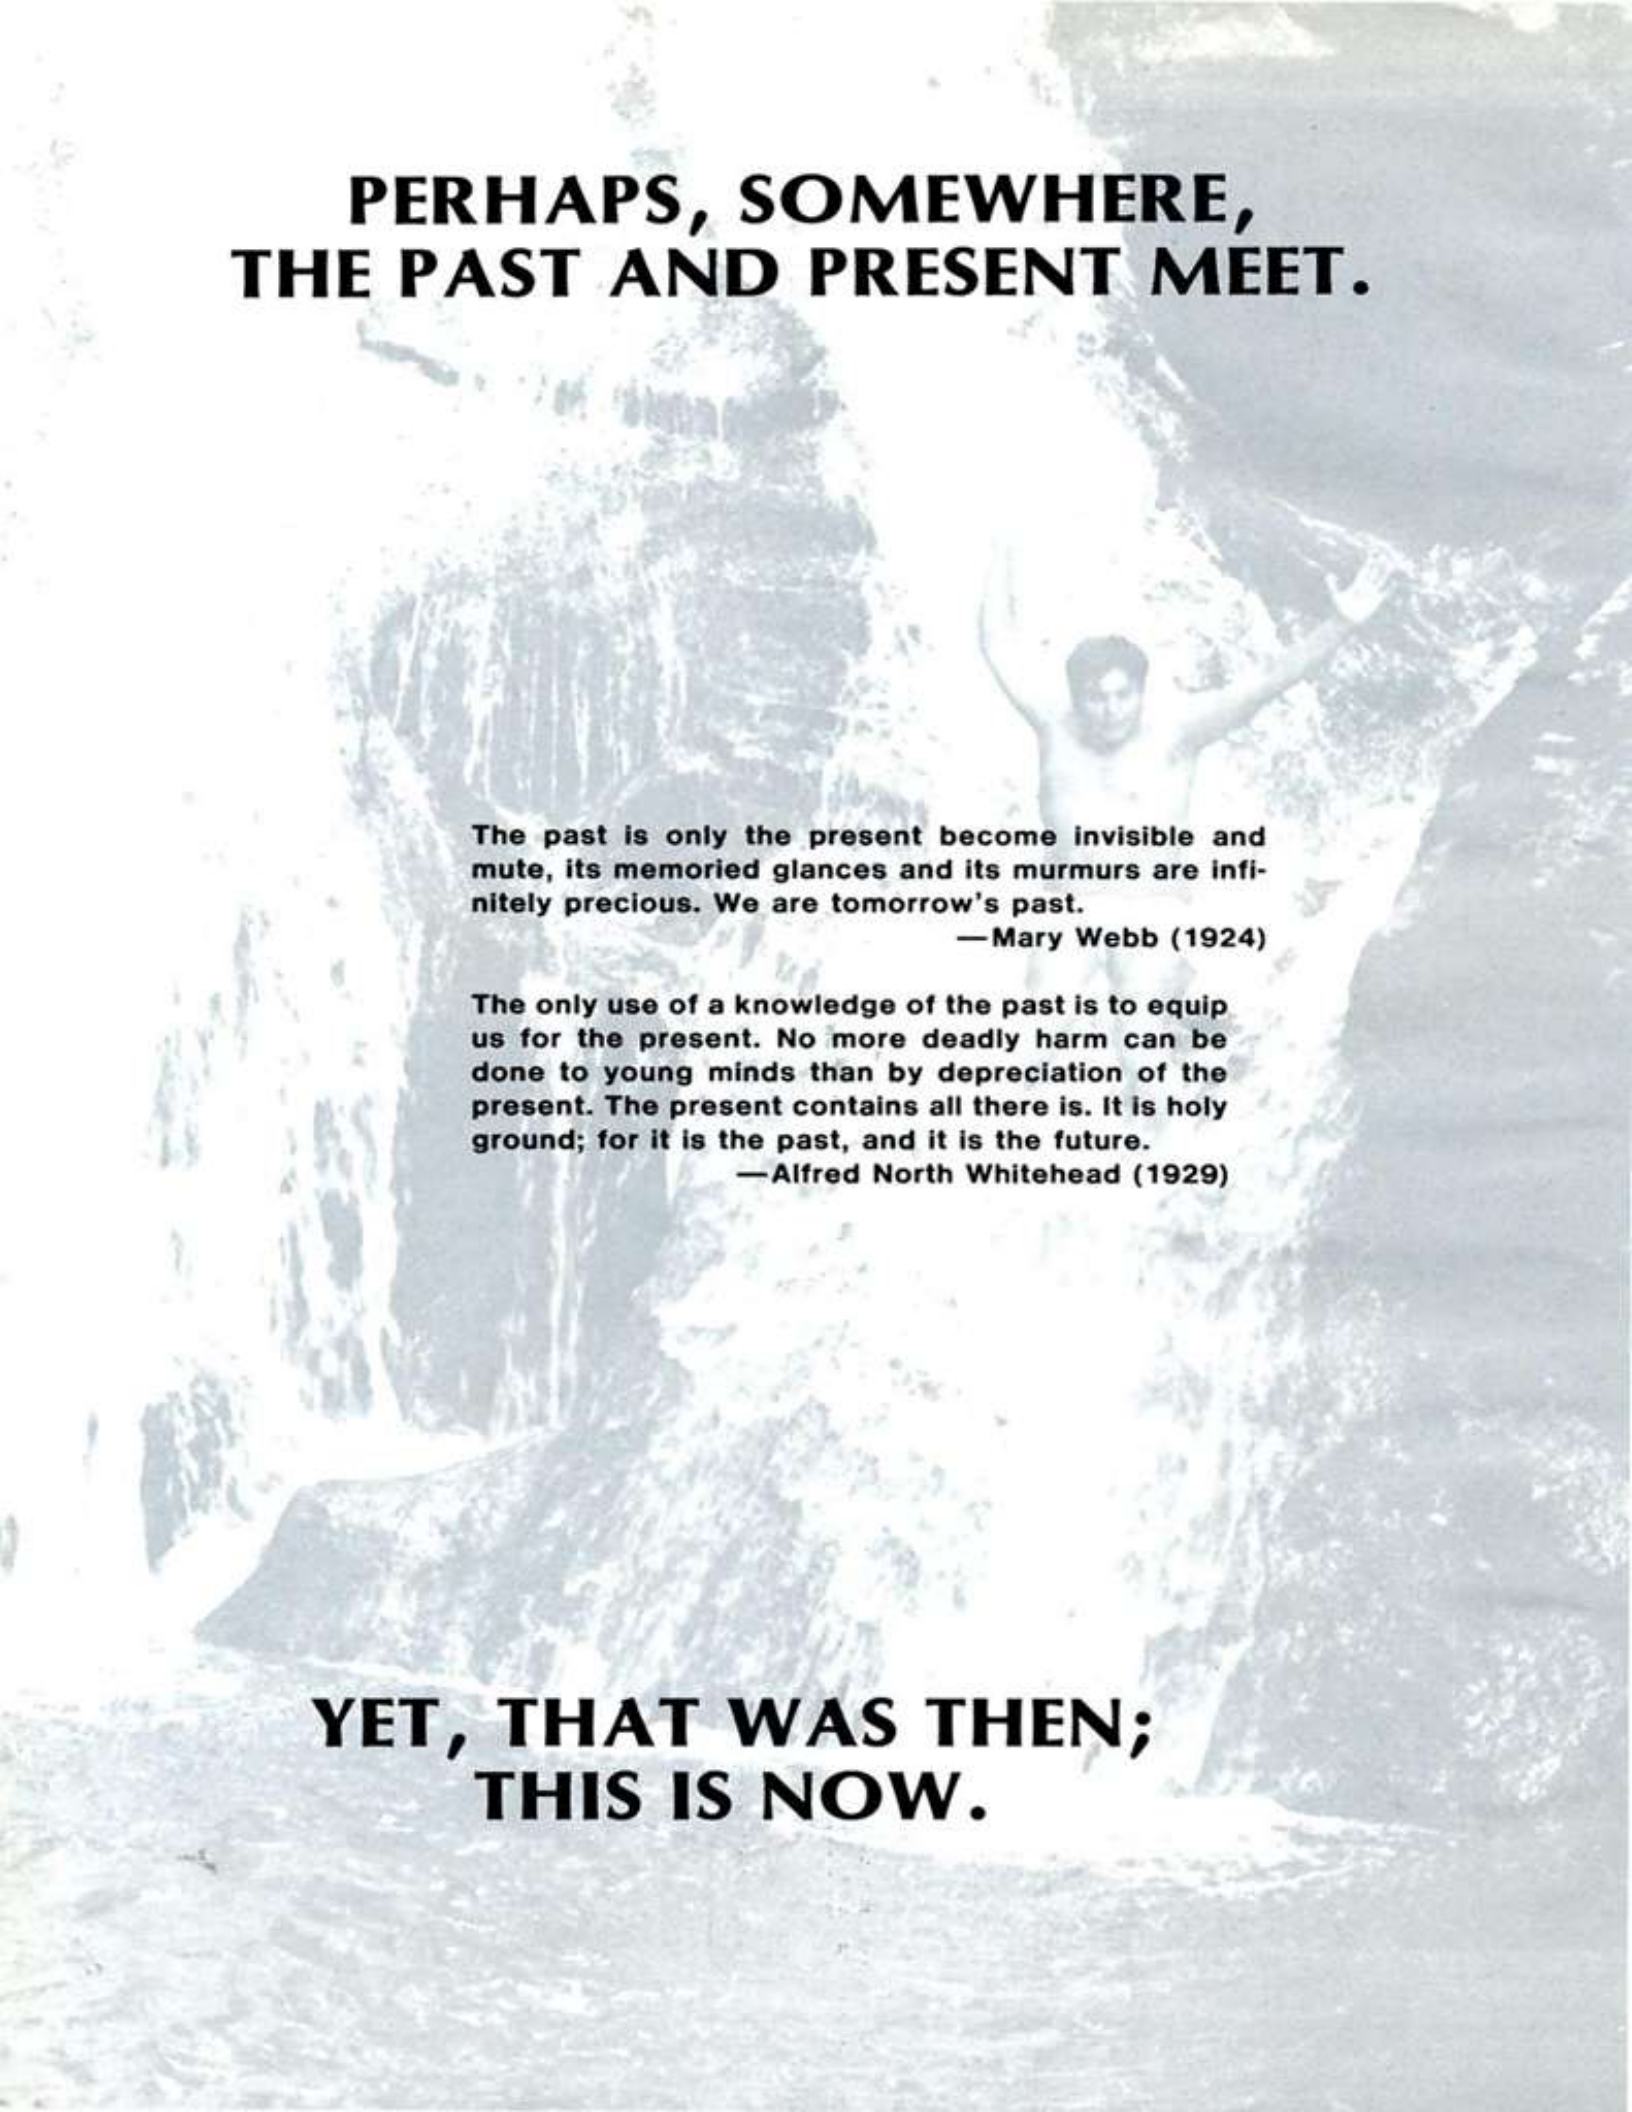

. . . AND PLAYING ROUGH.

Surry Community's version of *A Chorus Line.*

Look out, Tom Cruise! Here I come.

PERHAPS, SOMEWHERE, THE PAST AND PRESENT MEET.

The past is only the present become invisible and mute, its memoried glances and its murmurs are infinitely precious. We are tomorrow's past.

—Mary Webb (1924)

The only use of a knowledge of the past is to equip us for the present. No more deadly harm can be done to young minds than by depreciation of the present. The present contains all there is. It is holy ground; for it is the past, and it is the future.

—Alfred North Whitehead (1929)

YET, THAT WAS THEN; THIS IS NOW.
